Thank you for choosing Pilgrims Veterinary Clinic to care for your family pet. As always, our aim is to provide the very best in veterinary care in a pleasant and friendly environment. We are committed to keeping up to date with the latest developments in veterinary practice, and to providing high quality treatments at reasonable prices. Using our wealth of experience, we have designed our own practice membership health scheme of visits, examinations, and preventative treatments to help you spread the cost of veterinary care.

Pilgrims Pet Healthcare Plan **Prevention is Better than Cure**

You can feel confident that the health and well-being of your pet is constantly monitored. Routine treatments such as vaccinations are administered, with accurate and effective worming and flea treatments dispensed at regular intervals.

Providing the support to help pets stay healthy

Regular check-ups and maintenance of routine healthcare for your pets

Cost of preventative healthcare is spread over the year by easy monthly direct debit payments
